Learning, Teaching and Assessment Strategy
<p>In this module you will have 12 x two hour lectures once per week. These will provide an overview of ethics generally and applied ethics (in this case applied to the world of business) in particular (LOs 1, 2 and 3). You will also have 12 x one hour tutorials. These are designed to reinforce the lecture topics and to provide a theoretical basis for practical ethical responses to ethical problems (LOs 1, 2, 4 and 5).</p> <p>The module will fall into two halves. The first half is designed to assist you to learn how to use and apply ethical theory. Here the focus will be on 'micro' ethics as it is experienced and practiced between individuals and groups. The second half will consider social responsibility more widely at the organisational or 'macro' level as it applies to organisations, industries and professions.</p> <p>The formal assessment for the module is an individual essay of 4,000 words where you will present an ethical argument for a course of action in response to practical and hypothetical situations presenting ethical dilemmas (LO 1 to 5)</p> <p>.</p>
